REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art does not disclose a safety device having a base with first end pivotally connected to a first end of a cap and with the second end of the base being disengageably connected to the second end of the cap and including a watch on the top of the cap; and further including a protrusion extending from an underside of the cap and a pressurized air container and an inflatable piece being respectively connected to the protrusion and wherein the inflatable piece is received within the base when the cap is mounted on the base and an end of the air container extending from the cap; and further including an activation assembly connected to a first end of the cap and a fastening belt connected to the underside of the base, generally as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Claims 1-7 are allowed.
